Allows adults 21 years or older to possess, purchase, or use marijuaņa products and marijuaņa accessories for non-medical personal consumption by smoking, ngestion, or otherwise; allows Medical Marijuana reatment Centers, and other state licensed entities, acquire, cultivate, process, manufacture, sell, and istribute such products and accessories. Applies to Florida law; does not change, or immunize violations of, federal law. Establishes possession limits for personal use. Allows consistent legislation. Defines terms. The proposed amendment would result in significantly

Provides effective date The amendment's financial impact primarily comes from expected sales tax collections. If legal today, sales of non-medical marijuana would be subject to sales tax and would remain so if voters approve this amendment. Based on other states' experiences, expected retail sales of non-medical marijuana would generate at least \$195.6 million annually in state and local sales tax eyenues once the retail market is fully operational, although the timing of this occurring is unclear. Under current law, the existing statutory framework for medical marijuana is repealed six months after the effective date of this amendment which affects how this amendment. will be implemented. A new regulatory structure for both medical and nonmedical use of marijuana will be medical and nonmedical use of marijuana will be needed. Its design cannot be fully known until the legislature acts; however, regulatory costs will probably be offset by regulatory fees. Other potential costs and savings cannot be predicted. THIS PROPOSED CONSTITUTIONAL AMENDMENT IS ESTIMATED TO Enmienda Para Limitar La Interferencia HAVE A NET POSITIVE IMPACT ON THE STATE **BUDGET. THIS IMPACT MAY RESULT IN**

INCREASE IN GOVERNMENT SERVICES. Uso Personal de Marihuana Para Adultos

GENERATING ADDITIONAL REVENUE OR AN

Autoriza que los adultos de 21 años de edad o mayores posean, compren o utilicen productos y accesorios de marihuana para consumo personal que no sea medicinal mediante el tabaquismo, por ingestión o de otra manera; Centros de tratamiento de marihuana medicinal y otras entidades con licencia estatal, para adquirir, cúltivar, procesar, fabricar, vender y distribuir dichos productos y accesórios. Se aplica a la ley de la Florida; no cambia, tampoco protege contra las violaciones de leyes federales. Define los límites de posesión para uso personal. Da consistencia legislativa. Define los términos. Define la fecha de vigencia.

El impacto financiero de la enmienda proviene en primer lugar de la recaudación impositiva futura sobre las ventas. Si hoy es legal, las ventas de manhuana con fines no medicinales estarian sujetas al impuesto sobre las ventas y seguirían siendolo si los votantes aprueban esta enmienda. Según las experiencias de otros estados, las ventas minoristas futuras de marihuana no medicinal generarian al menos \$195,6 millones anuales en ingresos por impuestos estatales y locales sobre las ventas una vez que el mercado minorista esté en pleno funcionamiento, aunque no está claro el momento en que esto ocurrirá. Según la ley vigente, el marco legal existente para la marihuana medicinal queda derogado con efecto seis meses después de la fecha de esta enmigrada la que afecta la forma en que se enmienda, lo que afecta la forma en que se implementará esta enmienda. Se necesitará una nueva estructura regulatoria para el uso medicinal y no medicinal de la marihuana. No se puede conocer su diseño en su totalidad hasta que actúe la Legislatura; sin embargo, los costos regulatorios probablemente serán compensados por las tarifas regulatorias. No se pueden predecir otros costos y ahorros potenciales. SE ESPERA QUE ESTA PROPUESTA DE ENMIENDA CONSTITUCIONAL TENGA UN IMPACTO NETO POSITIVO EN EL PRESUPUESTO ESTATAL. ESTE IMPACTO PUEDE RESULTAR EN LA GENERACIÓN DE INGRESOS ADICIONALES O UN INCREMENTO EN LOS SERVICIOS GUBERNAMENTALES.

Amendment to Limit Government Interference with

No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has

more abortions and fewer live births per year in Florida The increase in abortions could be even greater if the amendment invalidates laws requiring parental consent before minors undergo abortions and those ensuring only licensed physicians perform abortions. There is also uncertainty about whether the amendment wil require the state to subsidize abortions with public funds. Litigation to resolve those and other uncertainties will result in additional costs to the state government and state courts that will negatively impact the state budget. An increase in abortions may hegatively affect the growth of state and local revenues over time. Because the fiscal impact of increased abortions on state and local revenues and costs cannot be estimated OF THIS AMENDMENT CANNOT BE DETERMINED **DUE TO AMBIGUITIES AND UNCERTAINTIES** SURROUNDING THE AMENDMENT'S IMPACT.

Gubernamental en El Aborto

Ninguna ley prohibirá, penalizará, retrasará o restringirá el aborto antes de su viabilidad o cuando sea necesario para proteger la salud de la paciente, según lo determine el proveedor de servicios de salud de la paciente. Esta enmienda no cambia la autoridad constitucional de la Legislatura para exigir notificación a uno de los padres o tutor del menor antes de que una menor tenda un aborto.

La enmienda propuesta daría como resultado un número significativamente mayor de abortos y un número menor de niños nacidos vivos anualmente en Florida. El aumento de los abortos podría ser aún mayor si la enmienda invalida las leves que requieren el consentimiento parental antes de que las menores se sometan a abortos y aquellas leyes que garantizan que únicamente los médicos autorizados practiquen abortos. También existe incertidumbre sobre la cuestión que suscitará la enmienda sobre el requerimiento del estado de subsidiar los abortos con fondos públicos. Los litigios para resolver esas y otras incertidumbres generarán costos adicionales para el gobierno y los tribunales estatales que impactarán něgativaménte el presupuesto estatal. Un aumento de los abortos puede afectar negativamente, a lo largo del tiempo, e crecimiento de los ingresos estatales y locales. Debido a que no se puede estimar precisamente el impacto fiscal del aumento de los abortos en los ingresos y costos estatales y locales, el impacto total de la enmienda propuesta es impreciso. EL IMPACTO FINANCIERO DE ESTA ENMIENDA NO PUEDE DETERMINARSE DEBIDO A LAS AMBIGÜEDADES E INCERTIDUMBRES QUE RODEAN EL IMPACTO DE LA ENMIENDA.

Amannman sa a pa chanje oforite konstitisyonèl Lejislati a pou mande yon paran óswa yon gadyen ótorizasýon anvan yon minè fè yon avòtman.

Amannman ki pwopoze a pral lakòz anpil avòtman anplis ak mwens timoun k'ap fet chak ane nan Florid. Ogmantasyon nan ayòtman ta ka menm pi gwo si amannman an ta anile Lalwa ki egzije konsantman paran yo anvan timoun minè yo sibi yon avotman ak Lalwa yo ki asire sèlman doktè ki gen lisans pou fe avotman.
